

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

JESUS FOLGAR et al.,

Plaintiffs,

v.

MCCULLY & GARDNER PLLC et al.,

Defendants.

CASE NO. 2:22-cv-01628-JHC

ORDER

This matter comes before the Court sua sponte. Trial is scheduled for February 5, 2023. This conflicts with the trial date in Case No. 2:21-cv-01623, which was filed in 2021. Also, the current discovery cutoff date in this matter is October 10, 2023, and the parties are apparently trying to schedule a number of depositions. *See, e.g.*, Dkt. ## 15, 16, and 17.<sup>1</sup>

Given the circumstances, the Court CONTINUES trial in this matter to May 6, 2024. The Court DIRECTS the Clerk to enter a minute order setting the trial date and related dates, including the new discovery cutoff.

---

<sup>1</sup> This was also reflected in a recent email from counsel to the Court.

1 The Court ORDERS the parties and their counsel to work cooperatively in scheduling the  
2 upcoming depositions. **The Court may sanction a party or counsel for acting unreasonably**  
3 **in scheduling depositions.**

4 Dated this 28th day of September, 2023.
